

**Job Description:**

Are you called to serve in the greater Seattle area?

Then perhaps God is calling you to work with Lead Pastor, Ryan Meeks, and Production Pastor, Matt Woll on-staff at EastLake Community Church ([www.eastlakecc.com](http://www.eastlakecc.com)).

Find out if you're an ideal candidate by answering these questions for yourself:

Are you passionate about raising up musicians and volunteer leaders, and leading a proven music and worship planning system? Can you help lead and grow an EastLake location in a multi-site setting?

Can you provide leadership support at one of our multi-site locations, as well as join with our worship arts staff to lead worship at a very high level, and bring musical excellence to the stage, to worship planning, to be a vital part to growing one of our locations, and to cultivating highly experienced musicians in the greater Seattle area?

Are you interested in helping a growing church continue to grow?

Do you have a high view 'serving as part of discipleship' and do you have a strong desire to reach the un-churched?

This is not a pastoral care position, but an equipping position to make a difference with the great staff at EastLake Church.
